

SIRIUS FEDERAL ORDERING GUIDE

SOLUTIONS FOR ENTERPRISE-WIDE PROCUREMENT

As a leader in the federal acquisition community, NASA's SEWP (Solutions for Enterprise-Wide Procurement) program provides streamlined access to the latest in mission-critical technologies. Now in its fifth installment, SEWP V is the largest GWAC (government-wide acquisition contract) in the federal space. Available to all federal agencies, this contract offers a variety of information technology, audio/visual and other related products and services.

WHO CAN USE SEWP

The SEWP contracts are for use by NASA, all Federal agencies and authorized support services federal agency contractors.

CONTRACT BENEFITS

SEWP V contracts are firm, fixed-priced contracts with a wide range of benefits, including:

- Wide variety of products and services
- Competitive prices and discounts
- Free training on how to use SEWP V
- Streamlined ordering

- Compliance verification
- Easy-to-use online quote and RFI (request for information) tools

GETTING STARTED

To access SEWP V, visit www.sewp.nasa.gov, and register for an account. With a SEWP account, you can request quotes, view responses, create orders and more.

FAIR OPPORTUNITY

FAR 16.505(b) (1) provides that each contractor shall be given fair opportunity to be considered for each order exceeding \$10,000 and issued under multiple award contracts. The FAR states that the method to obtain fair opportunity is at the discretion of the CO and that the CO must document the rationale for placement and price of each order. Using the SEWP online [Quote Request Tool](#) is the recommended method to assist in this activity and to augment the required decision documentation.

OBTAIN A QUOTE FOR PRODUCTS AND SERVICES

The SEWP on-line Quote Request Tool (QRT) is the method recommended by the NASA SEWP Program Office for obtaining SEWP Quotes. You may also contact the [Sirius Federal SEWP Program Manager](#) or one of the Sirius Federal sales representatives for assistance.

INSTALLATION, BASIC WARRANTY, EXTENDED WARRANTY, TECHNICAL SUPPORT AND SOFTWARE SUPPORT

Sirius Federal has engineers across multiple disciplines to provide on-site installation and support. Basic warranty offerings are specific to each manufacturer's product.

Extended warranty can be purchased anytime during the standard commercial warranty period. The extended warranty provides coverage for 12, 24 or 36 months after its initial start date, regardless of the commercial warranty period. The extended warranty coverage depends on the option purchased from the product manufacturer.
